Music: Bop Until You Drop, Stretching Song, Going on a Bear Hunt, and I'm Going to Catch You.

HALLOWEEN CELEBRATION

We will be having our Halloween celebration on Mon. Oct. 24 from 10-11 am. An early thank-you to the parents putting this fun party together for our students. The kids are invited to wear a non-scary costume. We ask that they leave accessories, hats, and masks at home to make sure nothing gets lost or is too much of a distraction. It is also important that the child is able to use the bathroom independently. Thanks!

Thank-You: Thank-you for sending healthy snacks to school. The kids have really loved everything and our staff also appreciates it.

Colder Weather: It's hard to believe that Fall is coming to an end and the colder weather is on it's way. Please send your child with outdoor weather appropriate clothing. We like to get outside as much as we can even as it gets colder. We practice putting on our jackets, hats, mittens and winter gear with as much independence as possible. You can help your child by encouraging them take their outdoor gear on and off, especially helping with the sleeves as they turn inside out.

Thanks!

Have a Safe Halloween

I'm looking forward to meeting with you during conferences. Thank-you for signing up in the lobby. If the day and/or times do not work for you, please let me know. We can work to find another time to talk about your child.

Have a fun and Safe Halloween!
