Mission Statement
The Church of St. Francis Xavier, a Roman Catholic parish in the Jesuit tradition, strives to be a prophetic, welcoming community, and an inclusive witness to the presence of Christ Jesus in our midst. Mindful of our utter reliance on God, and need for God’s grace, we rejoice together in our celebration of the sacraments and proclamation of the Gospel.

As a people of hope, we commit ourselves through prayerful and creative discernment to respond to God in our time by: Being a respectful community Where seekers and their questions are welcomed, Where injustice is challenged, Where the poor, the alienated and the marginalized find a home, And where people are refreshed, reconciled and renewed.

FROM HERE TO ETERNITY

Did you know that Cremation is an acceptable form of Christian burial?

Did you know that Cremated remains must be cared for reverently and properly interned in a sacred place?

Did you know that there is only one Catholic Cemetery in Manhattan?

It is "The Basilica of Saint Patrick’s ‘Old Cathedral at 263 Mulberry St New York N.Y. Over a century ago due to lack of space the practice of interring on Basilica grounds was suspended and limited to the interment of former Catholic Pastors. The Basilica revised the tradition with the introduction of a Columbarium. Due to the overwhelming demand for the niches in the first outdoor Columbarium, more will be added to the Basilica's historical cemetery, as well as adding many more in the indoor catacombs. Each Columbarium will be hand built by stone artisans and contain niches for the internment of cremated remains. They will fit impeccably into the historic design of the Basilica creating a solemn refuge for the faithful departed and a sanctuary for the bereaved. The urns will be reverently placed inside a secured niche and memorialized with a granite stone face plate on which the names will be meticulously engraved.

For over 200 years the Basilica of St. Patrick’s Old Cathedral has been preparing Catholics for eternity. With the introduction of the Columbaria, they are preparing a sacred and historical place in which to spend it.

If we the Church of St Francis Xavier have the wish to be interred together we will have the opportunity to create our own section in the catacombs.

If you are interested in attending a meeting in the near future please contact Peter Ranello directly at peterranello@hotmail.com

We will meet with a representative from the Columbarium most likely after an 11:30am mass on Sunday. We will discuss pricing and options.

THE XAVIER IMMIGRATION INITIATIVE INVITES YOU TO SPEAK UP FOR IMMigrants - SHARE REAL FACTS – NOT ALTERNATIVE FACTS

Last month, 10 smuggled migrants died in a scorching hot truck with almost no air to breathe. The story was appalling, but not surprising. Those deaths are just a fraction of the number who die each year trying to flee their homelands and get into the US.

More people have died crossing the southwestern border of the United States illegally in the last 16 years than were killed in the Sept. 11 terrorist attacks and Hurricane Katrina combined. From October 2000 through September 2016, the Border Patrol documented 6,023 deaths in Arizona, California, New Mexico and Texas, while more than 4,800 people died in the Sept. 11 attacks and Hurricane Katrina.

The Catholic Church teaches that all the goods of the earth belong to all people, and that people who cannot find employment in their home country to support themselves and their families have a right to find work elsewhere, in order to survive. We, as Americans and people of faith, should be finding ways to protect and accommodate this right.

For more information or to help support immigrant rights, contact sanxnc@gmail.com

On Sunday, August 6th, Pax Christi Metro New York will hold its annual Hiroshima/Nagasaki Memorial dedicated to the abolition of nuclear weapons. This year we are privileged to have Jonathan Granoff as our speaker. Mr. Granoff is president of the Global Security Institute, an attorney, author, and international advocate emphasizing the legal, ethical and spiritual dimensions of human development and security, with a specific focus on advancing the rule of law to address the threats posed by nuclear weapons. Mr. Granoff was also a 2014 Nobel Peace Prize Nominee. In addition to Mr. Granoff’s presentation, we’ll pray and vigil in commemoration of the 72nd anniversary of the bombings of Hiroshima and Nagasaki.
