**Updates on Church properties:**

- The Parish Hall steps have been repaired.
- You have undoubtedly noticed on several occasions that there was no heat in the Church. Originally, the problem was sludge in the oil tank that was fed into the boiler, blocking the supply of oil into the burner. That problem is still there. However, the last few incidents were due to water in the tank. We are in the midst of diagnosing where the water is coming from.
- At the same time, we are checking the health of our air conditioning systems. We will find out what needs to be done to keep them running as well as their age will allow.
- The Ramp leading to the Church will be repaired beginning May 27. At the same time, it will be extended to the porch of the Rectory.
- The sinks in the parish Hall are being replaced and should be complete when you read this.
- We are looking into addressing the issue with garbage over the weekends. It will probably involve an additional bin convenient to the Hall.
- Additional soap and tissue holders will be installed in the Parish Hall bathrooms.
- It looks like nothing is happening at the property across from the Church that is supposed to be our new parking lot. Actually, much has gone on behind the scenes, and we are now awaiting the disconnection of the sewer, water and other connections to the house.

We will keep you informed on these and all other matters about the properties. We welcome feedback, complaints and other comments about how to make the properties better.

If anyone can assist with projects (plumbers, electricians, carpenters, gardeners), please let us know.

### Actualizaciones en las propiedades de la Iglesia:

- Se han reparado los escalones del Salón Parroquial.
  - Indudablemente has notado en varias ocasiones que no había calor en la Iglesia. Originalmente, el problema era la acumulación de lodos en el tanque de aceite que se alimentaba a la caldera, bloqueando el suministro de aceite al quemador. Ese problema sigue ahí. Sin embargo, los últimos incidentes se debieron al agua en el tanque. Estamos en medio de diagnosticar de dónde viene el agua.
  - Al mismo tiempo, estamos verificando la salud de nuestros sistemas de aire acondicionado. Descubriremos qué se debe hacer para que sigan funcionando tan bien como su edad lo permita.
  - La rampa que conduce a la Iglesia se reparará a partir del 27 de mayo. Al mismo tiempo, se extenderá hasta el pórtico de la Rectoría.
  - Los lavabos en el salón parroquial están siendo reemplazados y deberían estar completos cuando leas esto.
  - Estamos estudiando abordar el problema con la basura durante los fines de semana. Probablemente involucre un contenedor adicional conveniente para el Salón Parroquial.
  - Se instalarán soportes de jabón y pañuelos adicionales en los baños de Hall.
  - Parece que no pasa nada en la casa frente a la Iglesia que se supone que es nuestro nuevo estacionamiento. En realidad, mucho ha pasado entre bastidores, y ahora estamos esperando la desconexión de la red de alcantarillado, el agua y otras conexiones a la casa.
- Le mantendremos informado sobre estos y otros asuntos relacionados con las propiedades. Agradecemos sus comentarios, quejas y otros comentarios sobre cómo mejorar las propiedades. Si alguien puede ayudar con proyectos (plomeros, electricistas, carpinteros, jardineros), háganoslo saber.

### Santa María Nuestra Señora del Monte Carmelo 2019 Bonanza

Vamos a tener una Bonanza 2019 para beneficiar Fondo de becas de la universidad John T Meehan y el apoyo general de la parroquia. Los premios serán de \$ 2,500, \$ 1,500 y \$ 500. Los boletos cuestan \$ 50 cada uno y el sorteo se realizará el domingo 30 de junio de 2019 en el Hall a la 1:30 PM en una reunión especial de hospitalidad. Su apoyo es necesario y apreciado.
