**Renew + Rebuild is a \$200 million archdiocesan-wide Capital Campaign.**

74% of all money raised in the parishes will be directed towards their needs, with a special focus on: 1) urgent capital projects and deferred maintenance, 2) energy efficiency initiatives, and 3) financial stability. 26% of parish goals will go toward needy parishes, regional schools, the St. Patrick's Cathedral renovation, Catholic Charities, and evangelization and lay leadership formation.

After much prayer and discussion of our needs, we have developed a plan to provide for a vibrant parish life for our community of faith. This is a wonderful opportunity for St. Mary -Our Lady of Mt. Carmel. Our goal is to improve our parish today, while also investing in our future. As we have done time after time, we will demonstrate our love for this parish and the Catholic Church in New York by generously responding to the needs of the Renew + Rebuild campaign.

**July 21, 2019 – Sixteenth Sunday in Ordinary Time****Reflection by Rev. Leonard N. Peterson**

One spring morning I visited the pastor whom I help out in his office where his dog was lounging on an over-sized towel. All of a sudden, for no apparent reason, the pooch stood and grabbed the towel and started twisting it into a spiral. Watching this, I just spurted out to the other human in the room that pooch's behavior resembled my own on any given early morning. Pastor had a hearty laugh at that, but I was partly serious. In the midst of my morning preparations, I often find myself distractedly doing this or that instead of staying focused on getting dressed and readying myself for prayer.

Nearly every self-help book, program, DVD, or podcast say the same thing as your counselor or your Aunt Louise, namely that "If you want to have a healthy lifestyle you have to set your priorities and stick with your decision." Having the right priorities will lead you to experience balance, happiness and peace. The wrong ones only produce the opposite.

People today often complain about "running in circles" much of their time, with overly busy schedules and demands coming from all sides, not the least of which are those coming through their cellphones. Only when they choose to "stop and smell the roses" do they get a break.

The familiar gospel story of the two sisters Martha and Mary is often analyzed as one wherein Martha wears the "black hat" and Mary the "white one." If you note carefully, Our Lord never sets up this characterization. It's as if He realizes that He is dealing with two future saints, which both ladies became. The crux of the matter for Him is that one must listen to His word as the top priority for every one of His followers. Mary knew this and acted on it. True, Martha temporarily forgot this. If you're anything like me, I can be guilty of forgetting too. Martha had to be reminded that all her legitimate concerns about properly hosting a visitor, while good in themselves, are second to hearing the Word of God. We all need reminders that our chosen priorities not be easily set aside. In fact, it's precisely when a serious matter may be weighing us down that we need to listen to God's voice more intently. We can't always have a copy of the bible with us but God is always by our side. He "speaks" in a variety of ways and means.
