

Dear Bia and Felipe,

We were so happy to have you visit Uncle Al's again this year! Thank you for once again selling lemonade in front of our shop and for donating all the money to Uncle Al's Thrift Shop. Your goal was to make more money than you did last year, and you did it! You must make good lemonade and be good salespeople because you made \$61.50 for Uncle Al's that day. That is truly amazing!

The lemonade stand is such a nice way to remember your grandmother who was one of our customers. She would be so pleased and proud of you both. We are sure your nice smiles brightened the day for those who stopped to buy a glass of lemonade.

God bless you for your kindness and generosity.

Gratefully,

*The volunteers at Uncle Al's Thrift Shop*
