In marriage, communication is more than just talking. At some point, did you stop sharing about the things that were important to you? Did your spouse? Improving a marriage takes time and a conscious effort to learn about your spouse. Growing closer in a marriage does not happen automatically. **Retrouvaille** is a marriage program dedicated to helping couples grow closer and develop a stronger bond. You give your heart and soul to everything you do, between your work and your family. Are you giving your heart and soul to your marriage? Sometimes the distance between a husband and a wife can seem so wide that it cannot be repaired. Retrouvaille is a marriage program designed to bring couples closer together.
