.Mathematics (Gr.3-5)

.Science (Gr 4)

.Social Studies (Gr 5)

**HOW CAN YOU HELP:**

**(1)** There is a great ILEARN resource we ask you to peruse, which is full of additional insights and information. It is found at:

<https://www.doe.in.gov/assessment/ilearn-families>

**(2)** Please read over the attachment included with this newsletter. It furnishes additional insightful information about the upcoming ILEARN Assessment. Please call our school office at 866-5480, or your child's teacher, if you have any questions.

**(3)** This year teachers have decided students and their respective families will be responsible for bringing in their own snack for ILEARN. That will ensure each student receives his or her favorite snack in the right portion.

**(4)** Please talk to your child prior to the ILEARN Assessment to reassure them this is a wonderful opportunity to validate ALL they have learned to date. It is nothing to be nervous or stressed out about!

**(5)** In order to furnish your child with optimal opportunity to demonstrate mastery of selected ILEARN assessment items, please ensure he/she has a good nights rest, hearty breakfast, and arrives on time to school. Thank you in advance for your assistance and cooperation!

**Spring Social**

The Spring Social will be held Saturday, April 27th at The Farmhouse. That is literally right around the corner, so if you haven't already done so, please return your RSVP as soon as possible. We look forward to another fun event this year. Hope to see everyone there!

## Box Tops for Education

Clipping Box Tops is an easy way for you to help our school earn money. Box Tops are each worth 10¢ and they quickly add up to real cash for our school. This school year, our school's earnings goal is \$1,250. We have submitted \$401.70 of our goal as of January 10, 2019.

I hope you're excited for everything we can do this year with Box Tops! If you have any questions, please don't hesitate to contact the school office @ 866-5480. We are here to make our school's Box Tops for Education program a huge success this year. For every 10 Box Tops a student submits they will earn one entry into a bi-monthly drawing for a \$25 Wal-Mart gift card. The drawing will be held at the end of the months of January and March. Box Tops can also be sent in a baggie of 50. The more Box Tops you send in the more entries you have in the drawing. Please make sure your child's name is on the sheet or baggie to insure entry into the drawing.
