**What problem are we trying to solve?**

It appears that more programs are both sculling and sweeping, particularly as more middle school programs are developed. At the novice level, this can mean that more clubs would possibly like their novice athletes to row both a sculling and a sweep race at Regionals. The historical Regionals schedule has been tough on options to do so (see above). For example:

- Novice eights and quads for both M and W are too close to have an athlete race both. Ditto for M Nov 8+ and 1x, W 2Nov 8+ and 1x
- 2Nov 4+ are very close to 2x races (perhaps feasible, but far from ideal for the athletes)
