

November

St. Michael the Archangel Preschool 3 Year old Classrooms News Update

We are enjoying the beautiful season of Fall and learning many new things. November finds us giving thanks to God as we discuss what we are thankful for. At the end of the month, we will learn about the Advent season that will be upon us. We will have fun decorating turkeys and painting with corn cobs, too! We are working on identifying our names, shapes & colors and continue to build our hand muscles by coloring, painting & playing with Play dough. Have a happy & blessed Thanksgiving!

Reminders:

Please remember to send coats and hats/mittens (no gloves, please!) labeled with your child's name on them. We will continue to have outside recess as long as the weather will permit it.

We also need to change out extra clothes for weather appropriate. If you could bring in another set we will return the ones you brought at the beginning of the year.
