St. Michael the Archangel Preschool 3 Year old Classrooms News Update

Welcome to St. Michael's 3 year old program! We are so excited you have chosen to join the Saint Michael's preschool family, and look forward to getting to know your child this month. As we begin our year, your child will begin to explore the classroom around them while learning to share and make new friends. Each month we will introduce a new color and shape while also working on developing their fine & gross motor skills. In September, we will learn about apples and we will share a day with our teddy bears. Welcome, we're excited you're here! It's going to be a great year!
