

# October 2018

## St. Michael the Archangel Preschool 4 Year old Classrooms News Update

With the first month of school behind us, we are off to a great start! We are excited for October and the many activities and crafts we have planned! We will visit the church at the end of the month and are working hard to learn our daily prayers. We continue to work on our letters of the week and numbers of the month with different activities and projects.

At the end of the month we will celebrate Halloween with a costume parade and party.

Please continue to check your child's bag each day to find all of the great projects they have worked on and other important school information.
