

February

St. Michael the Archangel Preschool 3 Year old Classrooms News Update

What a wonderful month we have planned. This month we will focus on hearts and the color pink. On Feb. 5th we are excited to have a visit from the Ernie Miller Nature center! We will learn all about animals in winter. Our Valentine's Day party is on the 14th. Mrs. Shiker has 12 students and Mrs. Bell has 9 students in AM and 6 students in PM. Please have your child bring in valentines to share with their classmates on Valentine's Day. Please do not address them with names- just fill in who it is from, this helps when passing them out. If you could please have your child practice writing and spelling their names at home, this will help get them ready for the 4's next year while reinforcing what we've been working on all year. Our goal is for them to recognize, spell and trace or write their name independently by the end of the year, together we can assure their success.

Themes This Month

Color - Pink

Shape - Heart

Prayer- Glory Be

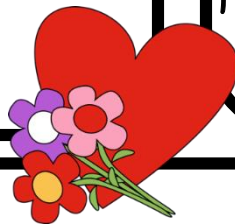

Important Dates

Feb 5th- Ernie Miller Nature Center Visit

Feb 14th- Valentines Day party

Feb 21th - Pink Day

Feb 19nd- Church Visit
