

# April

## St. Michael the Archangel Preschool 3 Year old Classrooms News Update

April is an exciting month for the three year old classes. The kids will be exploring God's beautiful creations and talking about how Spring brings new life all around us. We will be having fun with Easter projects and learning about this special time in our Church. We will be focusing on Mary and working on projects for our Special May Crowning & Mothers day event. The kids have been working hard on their cutting skills and shape recognition daily. The end of the year is fast approaching, it has been wonderful watching your children grow.
