

# St. Michael the Archangel Preschool 2018-2019 Director's Notes

Dear Parents,

I want to thank you all for sharing your precious child with us this year. There are some fun things planned for May before we send the students on their way for summer vacation. And then we'll begin again in the fall after Labor Day.

I know all our children going on to kindergarten are ready for the next challenge, and I pray for many blessings as they move to the next level. On behalf of all of us in the preschool, I extend a farewell to all children who will not be returning in the fall because of moves or other family decisions. It has been a great gift to know and work with your child this year and we pray that the transitions you experience go well. And finally, we look forward to seeing many of our students in the fall; a little smarter, a little bigger and ready to learn again!

Be safe this summer. God bless you all.

Mrs. Pratt
