GOD FORGIVES

The Lord said to Joshua, "Today I have removed the reproach of Egypt from you." After forty years of wandering in the desert, this hard-headed people have finally reached the Promised Land. No more do they eat the manna in the desert, but they partake of the fruits of their new homeland. God has kept the promise to their parents in Egypt. Even though they were a sinful people, many times questioning God and even worshiping false gods, God has forgiven them and fulfilled the promise. The "take-away" for us is that there is no sin that is unforgivable. We may have offended our neighbors, given a bad example to someone, even worshiped the false gods of money and power. But God is a merciful God, true to the words spoken to us. God forgives all and calls us back to love.

HAPPINESS

happiness will never be ours if we do not recognize to some degree that God's blessings were given us for the well-being of all.
