There will be a special collection on Ash Wednesday for the Church in Central and Eastern Europe. This collection supports the Church in over 25 countries that are still struggling to recover in the aftermath of communist rule. Funds from this collection support pastoral care, catechesis, building renovations, and seminary formation. Your support restores the Church and builds the future in this region. Please prayerfully consider how you can support the collection.

More information can be found at www.usccb.org/ccce.

Quotes by Pope Saint John Paul II

Ash Wednesday is the day we enter the great penitential season of Lent, a season that draws our attention to prayer, fasting, and almsgiving. For many, this season is about "giving something up" (in today's technological world that would be social media on our phones or limiting our phone time in general). However, you can give anything up or even take something on. Whatever your Lenten fast is this year, I encourage to do it, and to do it well with the help of God's grace.
