Ch 18 Processing: Scroll

Create a scroll that celebrates Chinese discoveries and inventions.

1. Review your Reading Notes to determine the four Chinese discoveries or inventions you believe have had the **greatest influence on the world**.
2. On a separate sheet of paper, write a paragraph or two that gives **at least two reasons** for your selection for ***each*** of your four discoveries or inventions.
3. Create a scroll by using the paper I have provided in class.
4. Write the Chinese character and the English word for each discovery or invention. Also create a colorful illustration or symbol for it. Draw a decorative border around each one.
5. Give your scroll an appropriate **title**.
6. Partially roll the paper edges to look like a scroll.
