

5th Sunday in Ordinary Time

February 10, 2019

PASTOR'S CORNER

Dear friends,

It is once again time for us to begin the annual process of the Bishop's Ministry Appeal (BMA). If you have not already received a mailing asking for your support in this vital effort, you will be soon. As most of you would remember, our diocese exited bankruptcy this last year. This leaves the diocese (all of us) and Bishop Myron (our new bishop) free to move forward in terms of different important initiatives. You will be hearing about these in the next couple of weeks as we all consider what our pledge will be for this year.

Included in the bulletin this week, you will find two fliers that will help to give us some food for thought and prayer. Our parish has been very generous and responsive in previous years. I hope this will be the case again this year, especially to show our support for our new bishop. Thank you in advance for your consideration and your generosity.

Speaking of the bishop, here is an important message he wrote to all of us this last week:

Dear Brothers and Sisters,

I am appalled, as with many of you, at the recent news of the Mayor of New York City and the Governor of Virginia!

It is never a choice to take innocent life. Infanticide should not be an option. This nation needs to wake up! We, Bishops and Clergy, need to reinforce the teaching of the Church on the sanctity of life. Catholics, young and old, must be formed by the Gospel of Jesus. As St. Paul says, "We must take on the mind of Christ."

As disciples of Jesus, we are all called to take on the likeness of Christ, to be his voice in today's society and to end this culture of death. It is time for all of us to speak out against this *diabolical disorientation* that is so prevalent today.

Let us pray for conversion, repentance and renewal of mind and heart. Let us do our part in promoting a culture of Life.

Jesus, Lord of Life, have mercy on us!

Bishop Cotta
